### Description

## Euro Stacking Box 11 Litres

This heavy duty container has a 400mm x 300mm x 120mm footprint with a capacity of 11 litres.

Made from virgin materials making it suitable for food contact.

M203A has solid side panels and base complete with hand grips in short sides.

Euro size stacking containers are space-saving and versatile.

They can be used in a wide variety of environments and are an excellent way to standardise and streamline transport and storage logistics.

Uniform dimensions make them ideal for automated systems and product handling.
