

MULTI-PURPOSE

CAFE & DINING CHAIRS

Depending on your requirements, multi-purpose chairs can serve many different purposes, offering a flexible solution when seating is required for various areas in the workspace. Not all companies have formal canteens and breakout spaces, but all companies need to get people away from their desks, so multi-purpose furniture provides the ideal solution for informal spaces within the office.

Tamar

Elegant yet simple in its design, Tamar uses a laminated beech veneer frame to create the perfect traditional conference, meeting or waiting chair. The wide seats, optional armrests, generous padding and full back provide extra comfort to clients and employees in addition to complementing the existing colour scheme.
