Simply indestructible

Put our indestructible seating to the test in healthcare and other heavy use settings.

With its rectangular welded steel frame, our Cyrus reception seating is built to withstand anything you care to throw at it (hence we include a 15-year frame warranty). But that doesn't mean your visitors won't find them comfortable. The deeply contoured seat and tapered back make Cyrus easy to sink down into, while the option of additional height in the frame and solid beech arms will help those who are less mobile to get up out of them again.

NOTES

- We require minimum order of 2 chairs in any one leather colour from Category 7 fabric band.
- The standard frame colour for Cyrus is Black.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Cyrus in any non-standard frame colour option. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Epoxy polyester frame coating.
- Oversized, rectangular steel tube.
- 15 year frame guarantee.
- Extra deep, contoured foam.
- Solid beech arms.
- White laminate table tops.

Built to withstand heavy use

Fulfil your obligation to provide safe seating for all.

Cyrus Bariatric is designed to sit seamlessly alongside our main Cyrus range, inviting larger visitors to take a seat. Tested and certified as load bearing up to 50 stone, the welded steel frame, 2mm wall tube, wide base and additional seat and arm support provide a reassuring sturdiness, while the deep contoured cushions ensure comfort. Popular in healthcare and care home settings, we're so sure it can stand up to anything we even offer a 15-year warranty on the frame.

NOTES

- We require minimum order of 2 chairs in any one leather colour from Category 7 fabric band.
- The standard frame colour for Cyrus Bariatric is Black.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Cyrus Bariatric in any non-standard frame colour option. An order for less than 5 incurs an additional £20 set up cost.

FEATURES

- Epoxy polyester frame coating.
- Oversized, rectangular steel tube.
- 15 year frame guarantee.
- Extra deep, contoured foam.
- Tested to BS EN 16139:2013 - test level 2 & BS EN 1728:2012 for loads up to 50 stone (317.5kg).
- Solid beech arms.
- Additional frame height option as a mobility aid.

Natural beauty

There's just something about highly polished wood, it's so tactile and organic. And it's this natural beauty that defines our Westwood range of lounge, meeting, conferencing and reception chairs. But to add something special we've chosen to apply an anti-bacterial lacquer that kills 99.9% of most bacteria over a 24-hour period on the beech wood frames. Meaning Westwood will work even harder for you.

NOTES

- We require minimum order of 2 chairs in any one leather colour from Category 7 fabric band.

FEATURES

- Polished beech laminate frames on W10 & W11 stacking chairs.
- Reception chairs have solid beech frames with mortise and tenon joints.
- Frames are coated in anti-bacterial lacquer. BS6250 standard for severe use, having FDA and HSE approval for indirect or incidental food contact and found to kill 99.9% of most bacteria over a 24 hour period - salmonella, listeria, e.coli and mrsa.
