

Combination Flat pack bin - A co-ordinated one-stop solution for waste management.

Correx Style Plastic Lid...

Durability where it counts: the corrugated plastic lid prolongs the life of the bin and resists liquids.

...Cardboard Base.

Economy where it counts: the corrugated cardboard base (majority of the bin) keeps the cost down, whilst still being strong and functional.

5 Combins, 120 combinations!

Each pack comes with 25 pictogram stickers (5 each of: general waste, mixed recycling, plastic bottles, cans and paper). Giving you full flexibility.
