About

Connex bench desking is based on one principle – simplicity. With its clean lines and elegant form, Connex offers a choice of classic tried and tested configurations from a single desk to hundreds of workstations in a wide variety of sizes to fit any office space. The legs can be shared between bench clusters, which not only look aesthetically pleasing, but save space and decreases costs.

| Bench desk system with shared, recessed legs for runs of desks | Square steel framework with mitred frame for enhanced strength & stability | Desktops with cable access ports to feed plugs and cables through | Quick assembly modular bench desk system for high density office spaces | Cable tray and vertical risers to ensure complete cable control |

- Two straight 800mm deep add-on units back-to-back, supplied with a centre leg
- Recessed leg is positioned in the centre of the bench desks and can be extended

Start simple
Then Connex add-on units!

Offering choice is essential when creating a space for an agile workforce, and Connex's clever design and versatile components help you to do more with less.
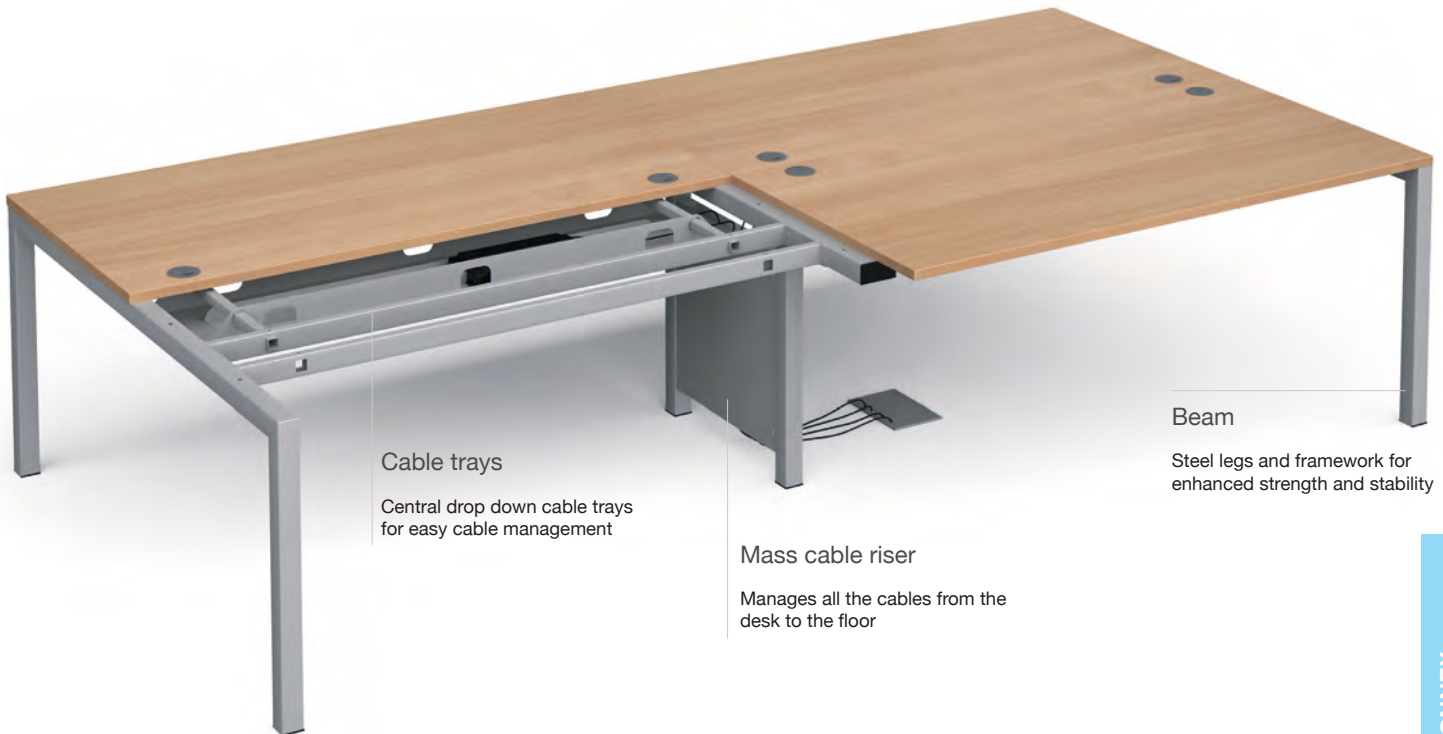

Each bench desk configuration starts with a starter unit – which can be back-to-back desks, double back-to-back desks, or triple back-to-back desks. Choose your starter unit width, depth and colour

Start & Add

Each bench desk configuration starts with a straight desk – which can be single, back-to-back desks, double back-to-back desks, or triple back-to-back desks. Choose your starting desk width, depth and colour

Then simply add your add-on units.

Cable trays

Central drop down cable trays for easy cable management

Mass cable riser

Manages all the cables from the desk to the floor

Beam

Steel legs and framework for enhanced strength and stability
