

COLLAPSIBLE BIG BOXES SOLID KLG 1210R

Unfolding their true potential

The closed collapsible big box features volume optimised side walls that can be folded inwards when it is empty. So you can make the best possible use of your storage and transport capacities, when the big box is full as well as when it's empty.

- Volume-optimised side walls
- Especially space-saving when empty
- Low empty weight
- Easy to clean
