

Laundry & Textile 'Hi-Back'

Manufactured to order in the United Kingdom in a wide range of colours to match your company colours or for different areas. Please note that lead times are normally 6 weeks from order. Supplied by Merlin Industrial Products Ltd

Internal Dimensions : 1220x915x1245>635mm

IDEAL for use in a laundry/textile environment, this concept in mobile units takes the hard work out of moving and sorting large loads.

Internal Dimensions : 915x610x1300>510mm

Constructed from a one-piece rotational moulding in polyethylene, this truck provides a robust, smooth, water-tight and snag-free easily accessible container that is readily relocated anywhere in the workplace.

Featuring :

- Reinforced outer 12mm plywood base
- Strong turnover lip around top edges for added stability
- Special high back to assist sorting processes
- Low front for ease of access
- Sloping ends to aid visibility by operative whilst moving container
- Colour coding available if required
- Various Castor options available

Internal Dimensions : 840x915x1270>785mm

Please feel free to call to discuss your project / requirements.
