## Laminate Lockers

As the door is normally the part of the locker that comes in for the most punishment, we offer this premium quality laminate door locker, without a premium price tag. The door fits neatly inside the frame and opens a full 180 degrees. Tough, solid laminate doors are highly resistant to dents and scratches and will not rust. Ideal for places where lockers are frequently used, such as in schools \& colleges.
» Fitted with standard mastered cam locks with 2,000 differs
" Two sizes \& five door configurations
" 2, 3 \& 4 door lockers fitted with security shelf to prevent unauthorised access to the compartment below
" End panels also available
» Pre-drilled for nesting
" Steel carcass powder coated in light grey
