

Meeting Room

Meeting room tables offer the ability to quickly and easily configure a room to meet the demands of any user group, with a selection of leg styles and frames that can be folded quickly and easily to store away when not in use. From private workspaces to collaborative gathering points, the clean, functional lines and vast mix of configuration options offer everything needed for employees to be inspired and productive.

Deluxe Fliptop

Our deluxe fliptop tables allow you to create dynamic spaces for people to easily meet and collaborate. The full tilting underframe and user friendly, pivoted release mechanism ensures a smooth, controlled flipping action, with heavy duty castors that lock securely into place when tables are in use, and allow for easy manoeuvrability when the fliptop tables are nested together for convenient storage.

Fliptop

Fliptop tables are an excellent choice for conference, office, meeting and training facilities with the ability to quickly and easily configure a room. Incorporating a simple, thumb wheel release mechanism, the fliptop table frames provide a reliable, cost-effective and space saving solution within all workplace environments. Then you can simply fold down and roll away until needed again.

Straight Leg

Straight folding leg tables combine simplistic good looks with versatility and are ideal for use in meeting rooms, conference suites and exhibitions. A click button mechanism on the underside of the table means the folding frame, available in different finish options, can be folded neatly within the footprint of the table top, offering easy manoeuvrability and convenient storage.

Curved Leg

Curved folding leg tables combine stylish good looks with versatility and are ideal for use in meeting rooms, conference suites and exhibitions. When folded, the tables stack together neatly for easy storage. The frame design also offers sufficient leg room for users when sat around the tables, and can be used stand-alone or together with the trapezoidal and semi-circular tables to create your layout.

Radial Leg

Radial leg tables are defined by clean lines and a simple leg design which provide a place to gather, an area to create, or a spot to focus. Simplistic yet robust, the round tubular screw in legs, available in chrome, silver, black and white, complement the 25mm table tops to suit any intended space, with a variety of configurations to meet the demands of any user group.
