

MORTAR TUBS

Reduce clutter and mess on site by using our range of Mortar Tubs. A fast and effective way of storing and distributing sand, aggregates and concrete around site with either cranes, forklifts or tele-handlers.

 250 L

 9Kg

 Stackable

 Multiple sizes

Our 250 litre Mortar Tubs can be manufactured with recycled materials to reduce the environmental effect, as well as offering a range of colours if required.

They have enclosed channels at the bases where the forklift skids can slot into, reducing movement when the tubs are transported.
