

Why choose us?

Continuity. The result of 20 years of organic growth. We are an asset strong business with no reliance on external funding. This allows a long term development programme in line with changing market demands and provides clients with on-going reassurance of continuity.

Corporate Social Responsibility is naturally embedded in to the Pulse Design ethos. We ensure equal opportunities, make charitable donations, support local employment, advocate employee training and have partner relationships with key customers and suppliers which drive our ongoing product development and productivity.

Service levels are achieved with quick reaction manufacturing times and efficient national delivery coverage. This enables us to maintain a high level of service from point of order to delivery of goods. Our experienced and accessible internal and field based sales team are on hand to advise and help our customers through the specifying and ordering process.

Environmental issues constitute an increasingly significant part of our business. At the point of design, the use of any components, solvents or sealants with environmentally unfriendly properties or by-products are minimised or eliminated. We also regularly review our waste management, packaging, transport management and energy consumption to both reduce negative impacts on the environment and maintain operational efficiencies.

We pride ourselves on reducing costs for our clients so that they can offer an enhanced working environment, improve brand identity and increase staff productivity and morale.

Pulse Design are proud to state that we are certified to **ISO 9001: 2008** quality management standard. As a result, current and prospective customers can feel confident they are dealing with a professional organisation who provide a consistent level of high quality products and customer service.

The Best Place to Work: The Art and Science
of Creating an Extraordinary Workplace

Pulse Design create contemporary and innovative soft seating solutions designed to enhance the progressive workplace of the 21st century.

Design and comfort reside firmly at the forefront of everything we do at Pulse Design. We consciously strive to provide our customers with a choice of products that deliver the significant and individual style they so desire.

The soft seating collection from Pulse Design provides a plethora of combination opportunities by way of intelligent functionality and versatility.

Available in one, two and three seater variants, the distinctive character of this range is achieved by combining subtle contours and generous proportions with a suspended back, angled to maximise comfort and support.

Liberty also offers a unique bench option with the removal of the back rest.
