

pure tablet power[®] or store[®]

Pure power lockers offer the highest quality power strips, available in 240volt, USB and USB-C. Each locker includes an IEC filter. Our range of power lockers have individually locked compartments or single door quick access compartments enabling secure access and charging, ideal for universities, schools and offices. Each unit is vented to prevent accumulation of heat. Lockers should always be secured to a wall for security and safety.
