

PRODUCT DATA SHEET

Slab 25 upholstered bench with two seat pads 1100mm wide - made to order

SLBB1100-U

The Slab25 table and bench solution is a classical, timeless design that radiates lightness, functionality and refined simplicity, available with an optional 80mm grommet hole so an integrated power supply can be built into the table with hidden cable management. Ideal for use in corporate or academic canteen areas, the white table tops and legs are combined with a plywood effect edge detail to provide an intelligent dining space solution.
