

# Welcome to dynamic

Our customers are the most successful office interiors resellers in the UK and Europe. The reason is called the Dynamic Difference.

We are a young, energetic business led by a senior management team with more than 100 years' experience in the specialist office furniture and seating market.

Our prices include express delivery to customers or end-users and the whole solution is based in centrally located production, distribution and office facilities in Northampton - taken to market with strong, hard-working marketing.

Our motto is Make It Happen – it is a mantra that we proudly adopt, from the bottom to the top. It is The Dynamic Difference.

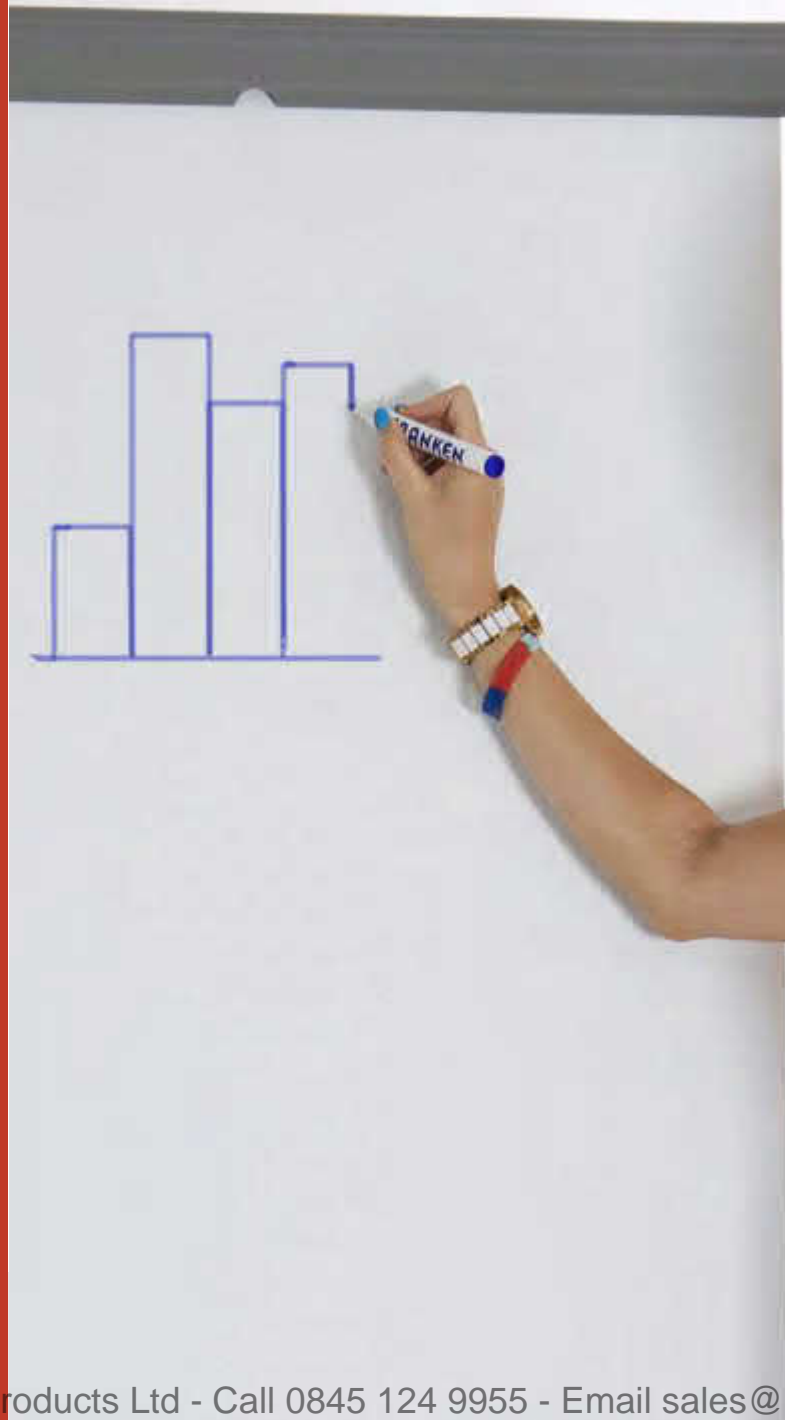

---

## Designed by Franken

Founded over 40 years ago, the Franken business is still completely privately owned and managed.

Franken is one of the market leaders in Europe for professional visual communication, presentation and conference products. Over the years franken has continued to innovate and develop unique solutions for visual communication.

Today the company offer one of the most comprehensive ranges for professional and educational use, with products designed to be functional, stylish and of excellent quality. Franken products are manufactured with care for the environment and offer a comprehensive manufacturing guarantee.
