

Unbreakable Plastic Coat Hooks

Manufactured in the UK from modern plastic materials the hooks replace the older fashioned steel and aluminium models and, unlike the older models do not break and leave sharpened edges.

A climbing wall in Glasgow successfully used the hooks in its centre and they fully supported a grown man as he climbed to the top of the wall.

As well as protection from jagged edges the plastic hooks are available in 20 colours

Unbreakable Plastic Coat Hooks available in Three Sizes (packs of 10) £ 9.00 + VAT (£ 10.80)

Minimum order quantity is 10 packs (£ 90.00)
