

COURTOISIE

**PRIVACY FOR
YOUR DESK
MADE EASY**

Having the right equipment at work increases productivity by up to 10 %! Buronomic offers an extensive portfolio that is functional, ergonomic and aesthetic. It can be upgraded with accessories and be perfectly adapted to your business. Choose amongst the materials and styles available to create the office which will best match your needs

COURTOISIE

AGRÉABLE

The desk accessories of the Courtoisie range provide greater privacy to users thanks to the partitioning solutions. For single desks in public areas, the modesty panel preserves your privacy. For teams on benches and in open spaces, the dividers offer the users confidentiality and privacy allowing for optimum concentration.

Details

1. Suspended Plexiglas modesty panel for beam system desks. 2. Structorex® screens provide greater privacy to users thanks to the partitioning solutions.

Materials and warranty

Our industrial know-how guarantees the quality and durability of the materials used to make our furniture.

STRUCTUREX® PANELS

Full panels of particles with melamine surfacing. Counter-balanced and treated against reflection. Thickness 16 to 25 mm. Density 680 kg/m³ for the 25 mm panels. Tested as conforming to abrasion and hot & cold water resistance to the XP D60-050 standard.

5 YEAR GUARANTEE

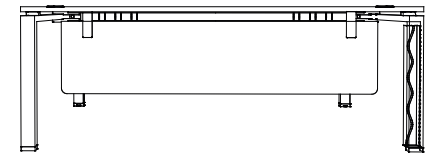

The quality and durability of the materials enable us to guarantee all our ranges for 5 years under normal conditions of use.

+ More details
