EFFICIENCY**

ENVOL

ERGONOMIQUE

The sit-stand Envol desk adapts to your requirements and working habits throughout the day. Simply set the worktop to the desired height using the electrical adjustment. Equipped with the highly reliable and easy-to-use Linak drive system, Envol combines well-being and elegance with an assertive design and practical features.

Details

1. Vertical cable management. 2. Electrical height-adjustable metal leg allowing easy lateral movement.

Materials and warranty

Our industrial know-how guarantees the quality and durability of the materials used to make our furniture.

STRUCTUREX® PANELS

Full panels of particles with melamine surfacing. Counter-balanced and treated against reflection. Thickness 16 to 25 mm. Density 680 kg/m³ for the 25 mm panels. Tested as conforming to abrasion and hot & cold water resistance to the XP D60-050 standard.

5 YEAR GUARANTEE

The quality and durability of the materials enable us to guarantee all our ranges for 5 years under normal conditions of use.
