Desks and Pedestals

- **Office desks with a steel loop frame.** Desks are height adjustable from 68 – 82 cm. The desk top is constructed with a raised gap between the frame which gives an interesting optical effect. Underneath the desk is a cable channel. Desk tops are available in white or graphite, the narrow side panels, are green on one side and white on the other and are reversible.
- **Wave form desk** with steel loop frame, is also height adjustable and has the following dimensions, W 195 x D 80/100 x H 68 – 82 cm.
- **NEW! Meeting desk** for up to 6 persons dimensions W 180 x D 90 x H 72, this can also be utilized as an extra-large office desk.
- As an accessory there is a **modesty panel** (pic.8) assembled under the front of the desk. This item will fit all desks with a width of 160 cm, colour white.
- **Lockable pedestal.** Has a depth of 60 cm, either with 3 drawers (pic.10) or with 1 drawer and 1 filing drawer for hanging registers (pic.11) the top drawer is for small utensils.
- **Desk top height Pedestal** (Pic. 12) enlarges the work area, is height adjustable from 72 – 76 cm. The pedestal top is available in white or graphite matching the office desk top.

Reversible side panels

These panels reversible are green on one side and white on the other.
