SMART, ELEGANT TABLES FOR SOPHISTICATED MEETING ROOMS

The clean lines, elegant style and fine materials of the KARL range will add a touch of sophistication to any meeting room.

Made
in France

KARL meeting tables are available with resistant, soft-touch worktops in Forbo linoleum or Black velvet melamine. The tables come in different shapes and sizes, including a model that seats up to 20 people.

SCOTT chairs p. 244

Zooms

Cable management

Cables and wires are routed up to the worktop behind a screw-on cover in matching finish to the leg (worktop with top-access version)

Soft-closing dual hinged top-access module

In a matching finish to the worktop

Smart & sophisticated

Elegant workspaces

Clean lines and high-quality materials
(solid oak legs)

Choice of unique soft-touch finishes

Options

- Melamine (MK): highly resistant, velvety finish
- Forbo furniture linoleum: soft, matt finish (see shades on p. 284)

Multiple shapes and sizes

Square and rectangular models
seating 6 to 20 people

Discreet cable management

Cables routed along the legs, with top-access modules
in a matching finish to the worktop

Chatbox

PRIVACY, QUIET & COMFORT FOR BUSY WORKSPACES

The CHATBOX acoustic pods are an alternative to conventional meeting rooms. Their small footprint means they can easily be installed in shared workspaces to give employees a quiet, private space to get some work done, chat with a colleague, or make phone calls. The innovative concept optimises shared workspaces in a way that boosts both productivity and employee well-being.
