

uBin

Labels Included.

Each uBin is supplied with a pack of 6 labels as standard: 'plastics', 'Mixed Recycling', 'Paper', 'Mixed Paper & Card', 'Cans' and 'General Waste'

With or Without.

The uBin is just as elegant without the coloured insert, offering you more budget flexibility. The insert can be easily changed, so if your uBin changes role at a later date, no problem.

Lid Inserts

Coloured inserts clip into your uBin lid to add colour & shape to your recycling initiative.

1. uBin Insert - Red 'Plastics'
2. uBin Insert - Green 'Mixed Recycling'
3. uBin Insert - Blue 'Paper/Mixed Paper & Card'
4. uBin insert - Grey 'Cans'
5. uBin insert with handle - Black 'General Waste'

Clear Liners

Box of 200 clear liners for use with the uBin or combin. Made from 100% recycled LDPE.

Tall Design

No Bending down.

Air Hole

No Vacuum, easy bag removal.

Sloping Lid

Good visibility and people cant leave objects on top.

Overhanging Lid

No ugly liners.

Joining Clip

Invisibly link your uBins together.

Supplied by Merlin Industrial Products Ltd - Call 01752 690622 - Email sales@mipl.uk

When I heard about the uBins being post consumer plastic, I wanted them straight away!

For those who know, this is a big deal and we wanted to be part of it.

uBin

100% Post-Consumer Plastic
Not only is the uBin 100% recycled plastic, but it's also the first bin in the world made from recycled UK post-consumer plastic! An unprecedented environmental credential.

Recyclable
uBin & label is PP which is commonly recycled.

Made in UK
From UK waste plastic for minimal carbon footprint.
